

**POBLOCKI**  
SIGN COMPANY LLC

*Challenge us*

## HEALTHCARE : **COMMUNICATING A CARING ENVIRONMENT**

Stark, cold and utilitarian? That's yesterday's hospital. Today's healthcare facilities are working to make patients and their loved ones feel more welcome.

At Poblocki Sign, we know what it takes to project the right image to your healthcare visitors with high-quality, brand-building interior and exterior signs. Our experienced, dedicated people possess a deep

understanding of the signage challenges of healthcare facilities.

Healthcare clients count on us because, in our 75-year history, we've handled nearly every imaginable challenge of signage. Today, our expertise is comprehensive and our service is turn-key. In the end, we'll make you look good and your visitors feel more at home.

## EXTERIOR SIGNS THAT SHINE

Our healthcare clients turn to us because they know we produce great-looking, brand-building exterior signs. Poblocki's craftspeople average over 15 years of experience with the highest-quality materials and the most intricate designs. We make great-looking, brand-building exterior signs of all kinds.

## GUIDING CLEARLY AND CONFIDENTLY

Wayfinding is critical to creating a positive brand experience for your visitors. Our team will work with you to develop a system that blends seamlessly with your architecture and guides clearly and confidently, without getting in the way. When you need new interior signs, replacements or repairs, there's no room for delays. That's why we offer our state-of-the-art Online Sign Ordering System, which gives you unprecedented control and expedited processing—to get what you need fast.

## NOTHING WE CAN'T HANDLE

Our project managers will coordinate, communicate and cover all your critical issues—timelines, code compliance, materials and more—just as they've done countless times before. Whether we're working with an architect, a general contractor or a facilities manager, we have the full-service capability to translate your site plan into a complete design-build-install signage system that's flexible, functional and attractive.
